New Web-Based Offerings to Support the Wildflowering of Your Whole Being

Trillium Awakening is a wildflowering of whole-being love and wisdom, dedicated to healing, guiding, and inspiring the fullest awakening of self, society, and the world. Our Teachers Circle is dedicated to supporting you in as many ways as possible, 24/7, both in person and virtually.

To this end, we are pleased to provide a variety of new web-based programs and offerings that you can enjoy alone or with others, at your computer, in your car, on the bus, biking, walking, running, or sitting in your favorite coffee shop, park, or room at home.

Here's a menu of ways for you to step in transmission wherever and whenever you want:

[Newcomer Welcoming Program](#): If you're new to our work, our monthly Trillium Awakening Introductions and Newcomer Sittings will help you get acquainted with who we are and what we offer.
